

Library Collective

DID YOU KNOW?

South Dakota educators now have access to a curated collection of top, educational films which are click-and play ready in their streaming library.

You can search the entire library of films + request new films be added with an approved lesson plan.

The Swank K-12 streaming library provides access to over 30,000 movies, documentaries + foreign language films for instructional support.

THE BEST RESOURCE YOU
= never thought =
YOU NEEDED
